Subject: Notice of File Closure and Release of Reclamation Surety, Ray Mining LC, Cudahy Mine, S/027/0055, Millard County, Utah

Dear Mr. Ray:

The referenced Notice of Intention to Conduct Small Mining Operations (Notice), located in Millard County, Utah, will now be closed and the files retired.

Your Notice has been replaced with a new Notice (Cudahy Mine, Gale's Gold and Excavation Inc., S/027/0118), and the Division has received a reclamation surety from the new operator that is sufficient to cover your mining disturbance.

The Division has written Zions Bank authorizing release of the certificate of deposit that was being held as reclamation surety for your Cudahy operation, S/027/0055 (copy enclosed). Also enclosed with this letter is the original reclamation contract for your records or disposal.

You are hereby released by the Division of Oil, Gas and Mining from further reclamation responsibilities at these sites. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice of Intention to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Peter Brinton at (801) 538-5258. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
